

1st HAE International Leadership Conference 2007

■ 19 – 21 October 2007 ■ Frankfurt am Main ■ Germany ■

Historic Frankfurt am Main in Germany is the venue for this First HAE International Leadership Conference in 2007. We are proud to present this conference in close cooperation with our German friends – who this year celebrates their 10 year anniversary as a patient organization. We have put together an excellent program for this conference with lot's of opportunities to get updated on HAE topics as well as networking with a great network of HAE friends including patients, doctors and the pharmaceutical industry. We are proud to present our three KEYNOTE speakers for this conference together with a good number of international HAE expert doctors. Join this first exciting HAEI Leadership Conference in Frankfurt and take part in celebrating our German friends on their 10 year anniversary.
